There is also the question of filling up the place of Asstt Supdt of Police vacated by the resignation of Mr. T. S. Hay. The proposal was, I think, to confirm Mr. C. I remember that the Dewan was pleased to direct that that question should be submitted for orders along with the arrangements to be made on Mr. Ballard's retirement. Put up those papers.

MYSORE DEWAN'S OFFICE.

REVENUE AND GENERAL DEPTS.

NOTE.

TO THE DEWAN OF MYSORE
(FOR ORDERS)

Police Superintendents.

Mr. Ballard's retirement has caused a vacancy in Shimoga.

The Inspector General proposes the ~~appt~~ transfer of Mr. L. Krishna Rao from Tumkur. This Officer may do very well; but he has gone to Tumkur only lately.

Mr. Dunning has been taken temporarily to the Excise Dept^t. If he is to remain, he may perhaps be sent to Shimoga. If not, in justice to the other ~~offrs~~ officers, it should be decided whether his grade shd not be given to juniors. If in connection with this or in consideration of Mr. Hume Wright's transfer a first grade vacancy is avail-

MGCPB—500—24-8-01.

able, Mr. G. Rao
Rao may be given pro-
motion & transferred
to elsewhere. It would be
a hardship otherwise to
him if he has to go to
a Hdqrs District & lose
the present allowance
of 50 Rs. He has been
asking for a change
to a less heavy district
(Hassan) if he cannot
get some increase of pay.
He has been 3 yrs in
Shimoga.

Mr. K. Subba Rao has
been long enough in Chitra
durg. He ~~may~~ has been
recommended for ~~Hdqrs~~
Tumkur. If the latter is
not to be disturbed, he
may go to Shimoga, which
he will probably like as
being his native District.

The new place may

be given to Mr. Krishnamurthy: but as Chitradurg is rather an important Police Distt, this officer may be sent to Hassan & Mr. Jaffar being sent to Chitradurg.

Mr. Narayana Rao and Mr. Meer Sai ~~be~~ may both be confirmed in their present Places in the last grade of Asst Supt.

If Mr. Dunning is sent back to Police Distt, there will be only one vacancy the less.

I think that Mr.

Meccai should wait
till he passes the
Criminal Exam^rs
for Confirmation.

Making proposals to fill up the vacancy caused by the return of Mr. Ballard Supt. of Police

No

Office of the
Inspector General of Police in Mysore
Bangalore, dated the 20 August 1901.

To

H. V. Nanjundayya Esq,
Secretary to Government,
General and Revenue departments.

Sir,

Mr Ballard, Police Superintendent of the Mysore District, having been retired, I beg to submit the following proposal if it is allowable to me to do so.

2. There are three officers drawing Rs 200 in the Police department viz, Mr Y. V. Krishna Murthi Rao, B.A, Probationary Assistant Superintendent, Mr Wilkinson, City Inspector of Bangalore and Mr Sayeedin, Chief Inspector of the Kolar Gold Fields. Of the first be

appointed to act as Assistant
-tendent and his post be not filled
up, it will cause a saving of
Rs 200 per month. He has undergone
his probation, passed the necessary
examinations and been found fit to
be put in charge of a District. Both
the remaining two are equally ex-
-perienced Police officers. Of them
Mr. Wilkinson got Rs 200 before
Mr. Sagendin, but the latter gets
Rs 50 as allowance for being in
charge of the Kolar Gold Fields Police,
but this may cease as there is a
proposal from the deputy Commissioner
of Kolar to transfer him thence
and he himself wants a transfer.
Further, Mr. Sagendin was once
acting as Assistant Superintendent,
and the recommendation for

raising him to the Gazetted service, has already been submitted to Government.

9. Mr. L. Krishna Rau, Assistant-Superintendent of Police of the Tumkur District, who has already been recommended for promotion, was in charge of the Bangalore District and acquitted himself creditably. He is well acquainted with the work of a Head Quarter District. It therefore seems proper to post him to the Mysore District. Mr. Nagar. Subba Rao, assistant Superintendent of the Chitaldroog District, has been asking for a transfer thence on grounds of ill health. Therefore he may be transferred to the Tumkur District and the officer that may be appointed now to act as Assistant-Superintendent, may be posted to the Chitaldroog District.

I have the honor to be,

Sir,

Your most obedient servant,

A. Venkata Varadaya.

Mr. Wilkinson served as Inspector of Gold Mines, Kolar District, from 26th June 1888 to 23rd August 1889. He is industrious, smart and intelligent and well up to his work. 3—7—90.

As I am about leaving the District, Mr. Wilkinson has asked me to place on record my opinion of his character and abilities. I have had repeated opportunities of watching Mr. Wilkinson, and I always found him most hardworking, honest and reliable in his work. I believe him to be a man of unimpeachable character. He is well up in his duties as Inspector, has a very fine perception of human character and conduct, possesses quick tact and keen observation and is patient and persevering.

(Signed) J. W. Knight,
Supt. of Police.

Bangalore, 22nd Sept. 1891.

I.

With reference to Mr. Wilkinson's conduct in a heavy case f theft of coffee the Trying Magistrate has remarked "that he eems it his duty to place on record the detective tact, upright- ess and zeal with which he (Mr. Wilkinson) has conducted imself in bringing the case to light and justice."

The District Magistrate has also recorded his appreciation of he Inspector's conduct in the following words :—

"The Case was conducted under my own supervision. Mr. Vilkinson's conduct in this case is very creditable to him and am glad to bring it to the notice of the Inspector General."

In connection with the above I have to record the good work lone by Mr. Wilkinson. The case was a heavy one of theft of offee valued at over Rs. 1,000 from Messrs. Binny & Co.'s tores. The accused, a comparatively wealthy man was the rusted servant and contractor of the works and enjoyed the ntire confidence of Mr. Hart, the Agent and Holland the lanager of the Mills and this made the detection of this case omewhat difficult.

(Signed) C. Haudin,
Asst. Supt. of Police,
Bangalore District.

8th July 1892.

I have known Mr. Wilkinson for sometime past. He served nder me for the past 10 months as Inspector of the Bangalore ity Police. A most troublesome charge and gave me entire atisfaction. He is a very practical Police officer and knows is work thoroughly and is reliable. He leaves on transfer to Iysore, a circumstance I regret, exceedingly as it will be ifficult to find his equal.

(Signed) C. Haudin,
Supt. of Police.

11th August 1892.

Mr. Wilkinson has been acting for Mr. . five weeks, during which period I have seen him and had experience of his work every day. I consider Mr. Wilkinson a very smart and highly intelligent officer and what is great wa[illegible] does not force bad cases before the Court to swell his crime register. He conducts his cases fairly. Those Mining Superintendents whom I have spoken with regarding Mr. Wilkinson have approved of him.

(Signed) G. Hume Wright,
Special Magistrate.

Gold Fields Oorgaum, 18—8—93.

IV.

Mr. Wilkinson was in charge of the City Police for a little over a month. He gave me entire satisfaction in the discharge of the very onerous duties. He is a first class detective Inspector. There is a great deal of go in him. I should say he is just the sort of man required for a city like Bangalore where there are different jurisdictions and where 5 Railway lines converge which affords such facilities for thieves and other bad characters to get in and out of the City unobserved. It is needless to remark that he deserves encouragement as he is so well spoken by several officers under whom he served.

(Signed) D. D. Devaraj Urs,
Supt. of Police.

Bangalore, 3—4—94.

V.

Mr. Wilkinson was Inspector in charge of the City Police in 1892 when I came to this District. He has now acted for over a month in the same capacity. He combines with tact and ability to manage a large force; considerable amount of detective

cill and is thus a great help to the Superintendent of Police ho besides a large District to supervise, has also the charge of large city like Bangalore. Under an active and conscientious up erintendent Mr. Wilkinison is sure to produce brilliant esults.

(Signed) Mir Sujat Ali,

Bangalore, 4th May 1894. Deputy Commissioner.

VI.

Mr. Wilkinson was in-charge of the Gold Fields Police for 14 months between June 1888 and August 1889. He had 2 months f it again from July 1893. For the 3rd time he returned to he charge in November 1893 and has continued in it up to the resent time with a short interruption of 7 weeks when he was a charge of the Bangalore City Police. I have had the immedate supervision of his work for some 15 months and have othing but praise to say of him. He is zealous, unsparing and onscientious in the discharge of his very diffcult duties in the Gold Fields and numerous cases could be cited in which these ualities in him have borne good fruit. The Office of Chief nspector of the Gold Fields Police has now become vacant and will give me very great pleasure to hear that Mr. Wilkinson as been confirmed in it.

(Signed) H. Ramanujiengar,

Kolar, 13—12—94. ——— Supt. of Police.

Remarks passed by Police Superintendent on Mr. Wilkinson's application, dated 12—12—94.

Submitted for favourable consideration and orders with Mr. Vilkinson's Service Register which is replete with very favourble remarks from all the officers under whom he has served. As am about to leave the District I have added my own remarks herein at his request and have therefore nothing more to say ere beyond laying stress on the fact that the work of the Chief

Inspector of the Gold Fields has considerably increased since Mr. Ballard's time and the opening out of the new Railway line.

Witneses examined for prosecution 1 Mr. Richards Supt: of Nundydroog 2 Police Inspector Wilkinson. 3 * * *

Accused's Advocate argues that the accused bono fide purchased the Timber; as to that I disagree with him, he does not attempt to account for the Mark N. C. L. which mark of identification stands unchallenged. He argues 2ndly that accused if he stole the planks would have effaced these marks, not necessarily in my opinion, for they are not so very distinct as to attract immediate attention; they are only seen by looking closely and might easily be overlooked by any one not knowing, not expecting to find them. Mr. Margate looked for these marks as he knew they ought to be there if the planks belonged to Nundidroog. Further accused knew that once they were nailed in ceiling it was very remote chance if they were discovered. Indeed it is only due to the quick perception of the Inspector and his promptness in acting on his clue that has led to the detection. I may say that this is nearly the only case of real detection by the Police on Gold Fields in connection with Mining property that I have tried. * *

I therefore sentence accused Shamshuddien to suffer 6 Months Rigorous Imprisonment and to pay a fine of Rs 100/- in default to undergo further Regorous Imprisonment for three Months.

(Sd.) G. Hume Wright,
Special Magistrate.

Mr. Wilkinson worked with much zeal and tact when he was in charge of the Gold Field Police force, some very heavy cases of burglary were detected and the culprits were successfully prosecuted to conviction. In one case especially when the Special Magistrate's Court-house was broken into and some property stolen, he distinguished himself in bringing the offenders to Justice. In recognition of his services at the Gold Fields, the Inspector-General of Police was pleased on my recommendation to confirm him as Chief Inspector. He is an unassuming and honest Police Officer and I have always entertained a high opinion of his capabilities and hope his service will be as successful in the future as it has been in the past.

Remarks passed by the District Superintendent of Police on the first intimation Report in Case No. 16/319.

Mr. Wilkinson and his officers and men must be speciall congratulated for the seizure as both the men were old receive and managed for several years to frustrate the several attemp made by the Police for their capture while in the act of meltin Mining Gold. This seizure and the arrest of these known r ceivers is likely to break the back-bone of the body.

Mr. Wilkinson has been instructed to watch the case when is under enquiry as several Goldsmiths Receivers have alread left the field to secure the best counsel available.

Mr. Wilkinson has been Chief Inspector of the Gold Fields Police while I have been in charge for the past 18 months.

He is thoroughly well up in all details of Police work and has been of great assistance to me. Several difficult cases he has worked out to a successful conclusion during the time I have been here.

The Gold Fields is a particularly difficult place for a Police Officer owing to the large number of bad characters and the great amount of gold stealing that goes on. And Mr. Wilkinson has always borne himself with credit to himself and the Department.

Asst. Supdt: of Police

I have known Mr. Wilkinson now since 1893 at the Gold Fields as regards his work as a Police Officer, I have always been satisfied. I indorse the opinion of his Superintendent Mr. Hay as upright and honest and above suspicion. I consider Mr. Wilkinson to be facile princeps. I hope I may see him higher up the ladder when I return.

Extract of District Superintendent's Remarks on the Inspection Register of Mari Kupam Station on 22—4—1900.

The percentage of convictions to arrest is 72·9 and of value of property recovered (Rs. 9589) to that lost (10447) 91·8. These results are very satisfactory and show that the Chief Inspector and his Officers have been doing good work.

Dated 6—9—1900.

I have had no reason to alter the opinion I expressed of Mr. Wilkinson in August 1892. He is an efficient and practical Police Officer. Possesses considerable tact. Is painstaking and hardworking. Has worked very satisfactorily the troublesome Division he was in charge of. Has been recommended for rewards for good services rendered in the detection of two important cases that recently occured viz, the Champion Reef Assay House Dacoity and the Belagampully Sponge Gold Case Leaves the Gold Field Police on transfer to Mysore City where I am sure he will do well.

I have had a very short experience of Mr. Wilkinson's work on the Gold Field but during that time he has done excellent work, in the sponge Gold Case referred to by Mr. Haudin. In this case Mr. Wilkinson showed considerable acuteness and energy and arrested two notorious gold thieves in "flagranti delictis" himself. I have had great pleasure in recommending him in this case for a reward of Rs. 50 which he thoroughly deserves.
